**SEM Committee Decision for the Regulatory Authorities in relation to Mod\_17\_21 (Final Recommendation FRR\_17\_21)**

Dear Esther,

On 11 November 2021, the Modifications Committee submitted its Final Recommendation Report (FRR) with regard to Modification Proposal Mod\_17\_21 'Second Housekeeping 2021' in accordance with Paragraph B.17.18.1 of Part B of the SEM Trading and Settlement Code (TSC). The Modification Proposal Mod\_17\_21 was submitted to the Modifications Committee by SEMO on 7 October 2021 and discussed and voted on at Meeting 107 on 21 October 2021.

The Modification proposes to make three minor adjustments to the Trading and Settlement Code that have no impact on the actual interpretation of the Legal Drafting. Firstly, the Modification reinstates an incorrectly deleted 'intentionally blank' paragraph. Secondly, the Modification amends an incorrect cross reference. Thirdly, the Modification updates references to Mod\_09\_18 Deployment Date in the Glossary following the approval of Mod\_05\_21.

The Regulatory Authorities note that this Modification has been recommended for approval by the Modifications Committee on a unanimous basis.

Considering the above, and in accordance with Paragraph B.17.20 of the Code, the SEM Committee direct that a Modification, as set out in Appendix 1 of FRR\_17\_21, is implemented on a Settlement Day basis with effect from two Working Days after the date of this Decision letter.

Yours sincerely,
