**SEM Committee Decision for the Regulatory Authorities in relation to Mod\_19\_21 (Final Recommendation FRR\_19\_21)**

Dear Esther,

On 19 January 2022, the Modifications Committee submitted its Final Recommendation Report (FRR) with regard to Modification Proposal Mod\_19\_21 'Publication of Information by SEMO' in accordance with Paragraph B.17.18.1 of Part B of the SEM Trading and Settlement Code (TSC). The Modification Proposal Mod\_19\_21 was submitted to the Modifications Committee by the RAs on 18 November 2021 and discussed and voted on at Meeting 108 on 02 December 2021.

This Modification was raised following consideration of SEMO's Key Performance Indicators (KPIs) which formed part of the SEMO price control consultation (SEM-21-046) and decision (SEM-21-073). This Modification aims to place explicit reporting requirements within the Trading and Settlement Code on the Market Operator regarding the accuracy and timeliness of published data.

The RAs note that this Modification was recommended for approval on a unanimous basis by the Modifications Committee.

Considering the above, and in accordance with Paragraph B.17.20 of the Code, the SEM Committee directs that a Modification, as set out in Appendix 1 of FRR\_19\_21, is implemented on a Settlement Day basis with effect from two Working Days after this letter is issued.

Yours sincerely,
